

AureaCento 100[®]

AureaCento 100[®] is a unique, natural product supporting the recovery of the immune system. AureaCento 100[®] can be taken by patients with general weakness of the body's defence system. AureaCento 100[®] can be used as a dietary food supplement by patients infected with the human immunodeficiency virus (HIV) or showing symptoms of acquired immunodeficiency syndrome (AIDS). AureaCento 100[®] is made from the highest quality natural plant oils and essential oils. No artificial substances are added to AureaCento 100[®].

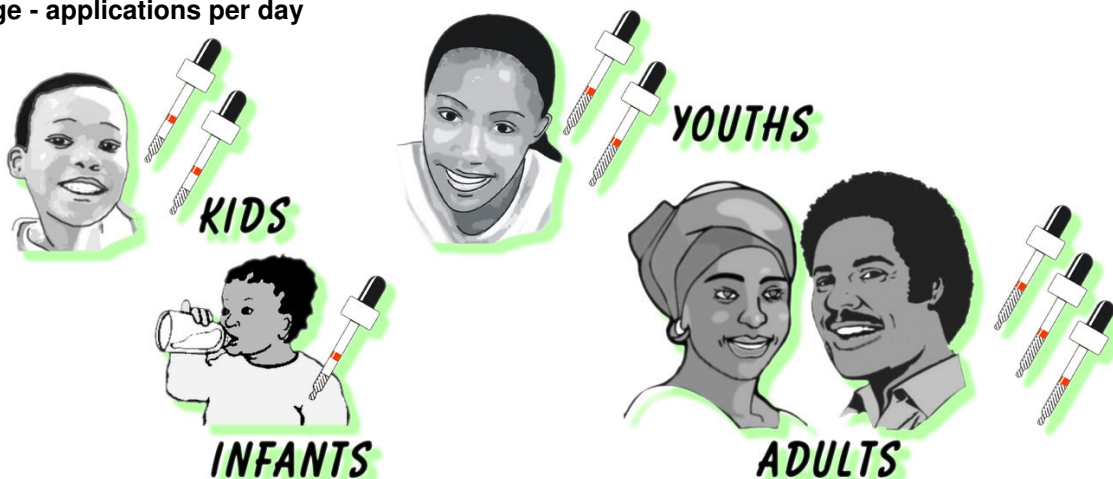

Ingredients

Sunflower oil and essential oils of rosehip, borage, teatree, bergamot, lemon grass, thyme, clove *.

Indications

To strengthen the immune system. Recovery of the body's immune system can take place within the first 3 months of use. For the effective support of the immune system it is recommended to take AureaCento 100[®] for a minimum period of 4 months for both children and adults. For optimum recovery of a weakened immune system use AureaCento 100[®] regularly as recommended for 9 months.

Dosage - applications per day

Administration

AureaCento 100[®] is taken orally. Use pipette to take out recommended dosage from the bottle. Drop directly onto tongue. Wait 1 minute before swallowing. Do not eat or drink for 10 minutes before or after taking AureaCento 100[®].

Directions

Strictly keep to the recommended dosage. AureaCento 100[®] can be used in combination with allopathic medicines.

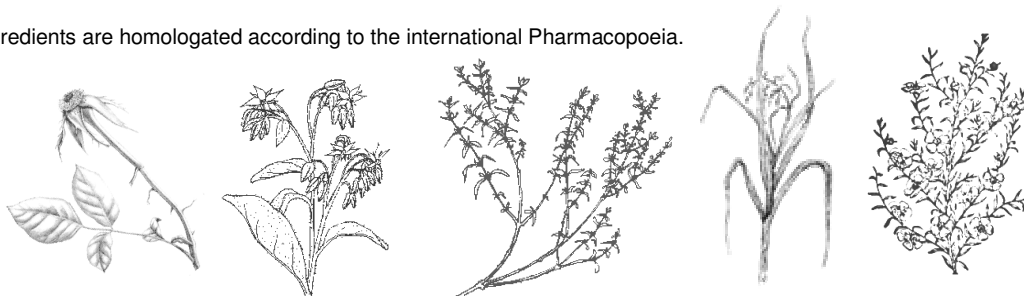

Side effects

Rare and mild. AureaCento 100[®] has a cleansing effect on the gastro-intestinal tract. It may cause increased bowel movements in the first few weeks of use. In this case the amount taken per day should be reduced. After 2 - 3 weeks return to recommended dosage.

Safety instructions

Avoid eye contact. In case of eye contact, rinse immediately with water.
